Dear Parent/Guardian,

Warm Greetings from Senior High!

I hope this note finds you and your family hale and hearty.

Time flies! We had an incredibly busy year. Examination defines term three of the academic year, at Senior High campus. All A level students sat for their IAL/CAIE examination this term. They all have worked hard through-out the year. We wish them good luck and hope for good results from both AS and A level students.

BTEC students too have gone an extra mile and made sure they have done their part well and on time. We admire their hard work and resilience. We are hopeful they will receive their best results.

A lot of appreciation goes to all teachers for engaging students actively in the field of academics through-out the year. Their commitment to our students is outstanding. The Annual Graduation ceremony held was a huge success. It was a happy event to watch students bidding good bye to friends and teachers. Shirt-signing time was interesting.

The Valedictorians recognised the pivotal role played by the institution in shaping their destinies. It was a day where all stake holders i.e. school management, teaching fraternity and parents were present to bless students, recognise their hard work and wish them well in their future.

I take this opportunity to welcome and congratulate all the students who have been admitted to Senior High in Year 12. The start of an academic year is always a special moment for a student. The feeling of excitement and the anxiety of a new start, we all experience - students, teachers and parents too. With this new beginning, we look forward to a productive partnership with you to ensure that our students achieve their academic goals. Our goal is to provide high quality experience at Senior High that enhances the learning by facilitating support for each student.

The orientation period for year 12 students had been a good time for them to understand the subjects they have chosen for their A' level course. We hope they are settled in their subject choices and preparing to work in time ahead. Teaching has been going on during this time and all students have work to do during this holiday period. BTEC Year 12 students are also settled in their subjects and understand the course requirement.

With the introduction of clubs, each student can find something of his interest to choose from. Club Patrons and officials have already geared up to implement on Charity programs and club activities. Pastoral sessions have been taking place during this time.

Both CAIE and IAL A' level results will be released on 13th and 15th August 2024, respectively. BTEC results will be released on 15th August 2024.

We now have holidays, time for rest and rejuvenating after a busy and vibrant year for our school community. Please ensure students continue reading during the holiday period.

We thank all parents for the support given throughout this time - together we are a fantastic OAN - Senior High community.

This newsletter will give you a glimpse of the activities held during Term 3. Enjoy reading and as I sign out, I wish you all a safe, relaxing and hopefully sunny holiday period.

Wishing you well,

Regards,

Vibhanshu Sharma

GRADUATION CEREMONY- CLASS OF 2024

A graduation ceremony is an occasion dedicated to students to express gratitude to their family, friends and mentors who have supported them throughout their academic journey.

The graduation ceremony held by Oshwal Academy Nairobi-Senior High on 26th April 2024 at Oshwal centre was a momentous occasion for the students, faculty, and families alike. The day kicked off with the students signing each other's shirt, a ritual that symbolizes the end of an era and the beginning of a new one. After the shirt signing, the students took class and group photos that will forever serve as a reminder of their time in high school.

The ceremony commenced with a dignified procession, led by our esteemed OERB members and the school committee members, setting the tone for the celebratory event. Following their lead, each class, led by the homeroom tutor paraded through the venue accompanied by the joyful cheers and applause from all parents and guests present.

They were then followed by the Senior Leadership Team. The event was graced by the presence of Mr. Suhash Ratilal Shah - Chair OERB, other OERB members present were secretary Mr. Nirmal Krit Shah, and treasurer Mr. Shital Haria. The school committee was represented by the Chairman Mr. Jaivin Kishore shah, Secretary Ms. Chadni Dhiresh Shah and a member Mr. Hemal Kantilal Gudka.

The head of school Mrs. Vibanshu Sharma gave a moving speech, congratulating the graduates for

their perseverance and urging them to follow their dreams.

In his speech the committee chair thanked the faculty for their dedication.

The ceremony was punctuated by a video clip of memories, with some photos showing the transition of the students from nursery to senior high, which elicited laughter and nostalgia from the audience.

The A-level valedictorian, Nirav Pratik Gudka, and BTEC valedictorian, Divya Pankaj Gada, gave heartfelt speeches, reminiscing about the good times they had in school and thanking their parents and teachers for their support.

The Academic coordinator, Mr. Mugo, led the certificate issuance ceremony, where the respective HRTs called the names of the students, who went up to the stage to receive their certificates amid cheers and clapping from all present.

The ceremony reached its climax when the students threw their caps in the air amid cheers and laughter from everyone present after which the valedictorian students led in cake cutting on behalf of all graduates.

The deputy head, Mr. Ng'ang'a, then gave a vote of thanks and welcomed everyone for dinner.

The graduation ceremony was a colorful, joyous event, marking the end of an era and the beginning of a new journey for the graduates. It was a proud moment for the school faculty and parents, who have played a significant role in shaping the lives of these young graduates.

BTEC ART AND DESIGN STUDENTS ON 27TH APRIL, 2024 AT THE POTTERY SHED IN KAREN-NAIROBI

On April 27th, 2024, BTEC Art and Design students attended a pottery workshop at the Pottery Shed in Karen-Nairobi. The workshop was organized as a field trip to provide the students with hands-on experience in ceramic arts.

(Images of the Pottery Shed-Karen)

The students were briefly introduced to the history and techniques of pottery-making.

The students learned about the composition of clay, properties of different types of clay, as well as the process of wedging, centring, and throwing clay items on the wheel.

(Mr. George Odera giving them instructions during the workshop)

The students were given guided practical tasks which included:

- ⇒ Wedging and kneading clay
- ⇒ Creating a ceramic bowl using a mould
- ⇒ Using an electric throwing wheel
- ⇒ How to create a ceramic item on a throwing wheel

BTEC ART AND DESIGN STUDENTS ON 27TH APRIL, 2024 AT THE POTTERY SHED IN KAREN-NAIROBI

The students spent the next three and a half hours experimenting with clay. They each tried their hand at centring the clay and creating simple vessel forms like bowls and vases. They demonstrated a great deal of focus and creativity during the hands-on portion of the workshop. They were pleasantly surprised by how challenging yet rewarding the pottery-making process can be. They expressed an interest in continuing their pottery education after this introductory experience.

Overall, the pottery workshop was a great success as the BTEC art and design students gained valuable technical skills and artistic inspiration from their time at the Pottery Shed. The field trip allowed them to step outside the classroom and engage with the local creative community in Karen. Many students left the workshop feeling empowered and excited to continue exploring the medium of ceramics.

STAFF TRAINING

The training session on writing of school leaving certificates and recommendation letters, was a great success. The event was expertly led by Ms. Grace, our Head of the English Department, Miss Norah, our Careers Teacher and Mr. Daniel, our Business Teacher.

The training aimed to equip teachers with the necessary skills and knowledge to craft high-quality and impactful school leaving certificates and recommendation letters. Throughout the session, participants engaged actively and showed a keen interest in the subject matter.

Key highlights of the training include:

Comprehensive Guidance: The trainers provided clear and detailed instructions on the structure, content, and tone appropriate for these important documents

Interactive Activities: Teachers participated in practical exercises and group discussions, which allowed them to apply what they learned in real-time.

Positive Feedback: Attendees expressed appreciation for the valuable insights and practical tips shared during the session. Many noted that they now feel more confident in their ability to write effective and meaningful recommendations.

In conclusion, the training not only enhanced the teachers' skills but also fostered a collaborative and supportive atmosphere. I believe that this initiative will significantly benefit our students as they prepare to transition to the next stages of their academic and professional journeys.

The students were good in time management, they were professional in the kitchen and ensured they left the kitchen clean after use.

The students perfected their menus, and took photos individually for evidence of their assignments. All in all it was a success.

BTEC ART AND DESIGN EXHIBITION HELD IN THE SCHOOL'S ART STUDIO BETWEEN 19TH JUNE, 2024 TO 21ST JUNE, 2024

Oshwal Academy Nairobi -Senior High hosted an art exhibition that celebrated the remarkable talents of its BTEC Art and Design students. The exhibition, held at the school's Art and Design studio, featured an impressive display of artwork created by the learners over the course of the academic year.

The exhibition was a success, drawing a captivated audience of teachers and parents who were impressed by the students' exceptional artworks. The learners received positive feedback from the attendees, who marvelled at the creativity, technical skill, and unique perspectives showcased in the diverse array of paintings, drawings, sculptures, and other media.

The art exhibition provided a platform for the students to proudly showcase their hard work, dedication, and artistic prowess. Visitors were treated to a visually stunning experience, with each piece reflecting the learners' individual styles and personal artistic visions. The art exhibition was a celebration of the students' artistic journey and a testament to the school's commitment to fostering a nurturing environment for the arts. The event not only showcased the learners' exceptional work but also inspired and encouraged the audience to appreciate the transformative power of art.

TRAINING ON MENTAL HEALTH ISSUES IN MEN

The training was held on the 20th of June 2024 in the AV Room.

The training was done by Ms. Elsie, Ms. Merceline and Ms. Achimwayi alongside Ms. Sharma for guidance. The facilitators took the teachers through the world statistics on suicidal deaths resulting from mental health problems, why men don't speak about their mental issues, common mental health problems in men, treatment and management strategies, impact of mental health issues on students' academic performance and behaviours, signs of mental illness in students, helping students with mental health issues and general comments. It was a very fruitful learning experience that ended with teachers highlighting real life challenges and situations brought about by mental health problems. Teachers also confessed that the training was beneficial to them.

TRAINING ON WRITING SCHOOL LEAVING CERTIFICATE AND RECOMMENDATION LETTERS

An informative training session for our dedicated teachers was held on 22nd of May 2024 at Senior High in the Multi-purpose hall.

The session on best practices on writing school leaving certificates was done by Ms. Grace and Mr. Shem. Using power point presentations, the facilitators took the teachers through the whole leaving certificate writing process, discussing in detail how to comment on the different aspects of a student's school life including academic abilities, participation in co-curriculum activities, behaviour and attitudes and general comments. It was a very fruitful learning experience that ended with teachers practically writing leaving certificates for students of different abilities.

We also received positive feedback from teachers confirming that the training was beneficial.

The session on the art of writing effective recommendation letters was done by Ms. Norah, the careers advisor. The training focused on essential components, such as highlighting students' unique qualities, strengths, and potential while providing compelling examples to support these claims.

Additionally, the training emphasized the importance of tailoring each letter to the specific student and institution, ensuring a personalized and impactful recommendation for their academic journey.

TEACHRES SUPPORT SYSTEM TRAINING

An interactive training session for the teachers was held on 29th of May 2024 at Senior High in the Multi-purpose hall.

The session was facilitated by Mr. Onkoba and Mr. Mugo. Using power point presentations, the facilitators took the teachers through the session creating awareness on the available links for access of resources for teaching and learning.

This included link on areas like syllabus and specimen materials and accessing grade boundaries among others.

The objectives for the work placement were:

- ⇒ Personal skills
- ⇒ Customer service skills
- ⇒ Management skills
- ⇒ Operational skills
- ⇒ Sport and leisure facility situations.

The objectives were met and even surpassed the expectation. The work experience provided valuable practical experience for the BTEC Sport students. Their involvement not only supported the Windsor Golf Club operations but also enhanced member experience through their dedication and service.

BTEC SPORT WINDSOR WORK EXPERIENCE

INTRODUCTION TO CLUBS AT SENIOR HIGH

On 3rd July, 2024, the students were taken through the clubs and societies at senior high. The event was meant to encourage participation in co-curricular activities to complement the students' academic achievements. Co-curricular activities allow students to pursue their interests and passions and perhaps even discover new ones. Universities and colleges want to see students that are well rounded and able to handle multiple responsibilities at once throughout high school, and co-curricular involvement is a sure sign of both. The event was successful as both teachers and students interacted to promote the various clubs at senior high.

ORIENTATION OF INCOMING YEAR 12 STUDENTS DAY 1ST JULY 2024

Before starting the academic year from September 2024, Oshwal Academy Nairobi Senior High held the annual orientation day to the New Year 12 students on 1st July 2024. From the senior management of Oshwal Education and Relief Board, to the Oshwal Academy Nairobi Senior High Leadership Team to all members of staff, everyone worked to see that the day's programmes ran smoothly.

All members of staff were there in handy to welcome the incoming year 12 students and thereafter we all assembled outside the main entrance for a group photo.

The programme commenced from 8.00 am with a welcoming speech from the Head of School Mrs. Vibhanshu Sharma. Members of staff were introduced to the students and the students were taken through all the school programmes as well as the daily routine at Senior high.

As part of the preparation for learning, home room tutors guided the students to their respective rooms for more information about learning at senior high and school policies.

Thereafter the students were guided on a school tour and then to the library for issuance of books.

In the afternoon, the new students were treated to an exciting programme dubbed "know your school" or treasure hunt', meant to make the new students know their school environment.

This was really exciting as students moved from one corner of the school to the other. The winners were announced at the end of that exercise and given a token of appreciation.

The day ended on a high note as the students were engaged all through setting the pace of student's life at senior high.

LIFE SKILLS TALK

On 9th July 2024, Binny Brahmhatt a renowned speaker delivered an informative and engaging talk to students on the topic of “preventing burnout”. The session was well-attended and received positive feedback from both students and teachers.

The talk began with an introduction to the concept of burnout, highlighting its symptoms and potential causes. Binny emphasized the importance of understanding burnout in order to effectively prevent it, particularly within the context of academic and personal life. The talk was of great importance in developing young peoples' abilities remain resilient.

SPORTS

Our Students participated in the Kenya Secondary Schools Sports Association (KSSSA) regionals which were held on Friday, 12th July 2024.
